

## **Screwdriver Tip Magnet**

Product # 918920

## DESCRIPTION

The perfect combination of polarity, strength, and shape make this tip magnet the most powerful you'll ever use. The next time you pick up a screw gun, the first thing you'll do is make sure that it has a Tip Magnet-- it makes that much of a difference! Whether the Tip Magnet is at the base of a 1" tip or a 6 " extended tip, it picks up multiple screws with ease.
