

Reveal Square for Window & Door Moldings

Product # 919035

DESCRIPTION

The Reveal Square is an all-in-one tool that offers 8 different reveal dimensions for the installation of your door and window mouldings. Side one gives you a reveal of 1/8", 1/4", 1/2" and 3/8", and side two gives you a reveal of 3/16", 5/16", 7/16" and 9/16".

To use this innovative tool, simply slide the Reveal Square along the edge of your window or door frame at the desired reveal and mark the full length of the frame with a pencil line or in incremental distances. Molding installation is fast, precise and effortless!
