

Protection Push for Table Saw The 11th Finger

Product # 919108

DESCRIPTION

Keep your fingers safely away from the saw blade with the 11th Finger. The durable polyethylene was constructed to prevent damaging to the blade.

Two powerful neodymium magnets keep the 11th Finger push stick perfectly positionned for safety and efficiency on your table saw. Designed by a woodshop teacher to guarantee his students keep all 10 of their fingers.

ADVANTAGES AND BENEFITS

The polyethaline body won't damage your blade.
