

3' Rope Light

Product # 931011

DESCRIPTION

Rope lights create versatile and decorative lighting, ideal for display cases or many other lighting purposes where creativity is a must.

Clear rope light available in 3' increments.

ADVANTAGES AND BENEFITS

Once the rope light has been cut, you can use the remaining lengths as needed in different areas. You will require another power cord for each additional length (power cords are SOLD SEPARATELY). Rope light can be cut every 3' where the markings are.
