

Uniset H4 Drawer System

Product # A61045030P

Installation Type Assembly Prongs

Height 3 11/32 in*

Length 17 3/4 in*

Configuration Standard Panels

Packaging format Per unit

DESCRIPTION

Uniset H4

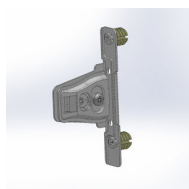

Thanks to its silent and durable slides with up to a 25 kg load capacity, this non-toxic, high-density epoxy powder drawer system guarantees smooth operation. This system offers a quick assembly and the slides can be combined with an optional self-closing mechanism.

ADVANTAGES AND BENEFITS

- Functions smoothly thanks to a new generation wheel design and an epoxy finish - Long self-closing feature for secure and controlled close - Small extraction loss due to compact build - Straight inner wall to optimize space - Easy drawer removal for efficient cleaning - Excellent load tolerance with 25kg standard capacity - SlowMotion Zeta Anyway damping with SlowMotionFR stop-close technology is available as an add-on

REQUIRED PRODUCTS

Requires the following products

Bracket for Uniset H4

TECHNICAL SPECIFICATIONS

Product #	A61045030P
Load Capacity	55.1 lb*
Slide Extension	Partial Extension
Bearing Type	Nylon Slides
Slide Mounted	Side Mounted
Application	General Storage
Brand	FGV
Drawer Panels	Single
Material	Metal
Product Line	Uniset
Drawer Use	Standard
Cabinet Model	Frameless
Partial Extension	3/4
