Disclaimer

Measures shown with an asterisk (*) have been converted as per your preference. These are not the official measures. To view the measures specified by the manufacturer, [click here](#).

IMPORTANT INFORMATION

To properly secure the 16 3/8 in (416 mm) pull, use all anchor points spanning the center to center.

DISCLAIMER

Although our black finish is achieved through a rigorous process, it may show signs of normal usage faster than other finishes. **IMPORTANT:** Please note that the CHBRZ finish applied on the BP9898 and BP9696 series is matte. We recommend matching the CHBRZ finish using only the different lengths offered in these two series.
