

## Self-Leveling Cross-Line Laser GLL30

**Product #** BSGLL30

### DESCRIPTION

The GLL 30 Self-Leveling Cross-Line Laser projects two lines, making a cross-line projection for a wide array of leveling and alignment applications. This versatility makes it more valuable than a typical line laser. With top-notch accuracy and one-switch operation, leveling and alignment tasks are done quickly and correctly. The laser lines are visible up to 30 ft. The Smart Pendulum System self-levels and indicates out-of-level conditions to help ensure an accurate layout, it also locks the lines at any angle. The pendulum system locks when the device is switched off to ensure secure tool transport. The included MM 2 Flexible Mounting Device provides microfine height adjustment and allows the laser to be clamped on virtually any surface from 1/2" to 2-1/4" in thickness, for level lines at any height.

### ADVANTAGES AND BENEFITS

- Cross-line mode -- projects two very bright lines that are perfectly level
- MM 2 Flexible Mounting Device -- clamps to multiple surfaces and provides microfine height adjustment
- Smart Pendulum System -- self-levels and indicates out-of-level conditions
- Secure transport -- pendulum locks when switched off
- Manual mode -- tilt the laser to use the lines at any angle
- Ergonomic, compact and lightweight -- easy to use, easy to store
- Features 1/4 In.-20 tripod thread -- for use with MM 2 mount, BM 3 Magnetic Mounting Bracket or tripod
- Versatile clamp -- stable grip on thin and thick surfaces (from 1/2" to 2-1/4" thick)
- Manual mode -- locks line for use at any angle

### TECHNICAL SPECIFICATIONS

<b>Product #</b>	BSGLL30
<b>Brand</b>	Bosch

### IMPORTANT INFORMATION

Specifications: - Laser Diode: Class II 635 nm, = 1 mW - Mount Threading: 1/4-20 - Width: 2.2" - Length: 2.8" - Material: Plastic composite - Weight: 0.5lb - Range: Up to 30-ft. - Accuracy:  $\pm 5/16"$  @ 30 ft - Operating Temperature: 41°F / 5°C ~ 104°F / 40°C - Battery Voltage: 1.5 - Leveling Type: Self-Leveling, up to 4°

### INCLUDED PRODUCT(S)

(1) MM 2 Flexible Mounting Device (2) AA Batteries
