## Throat Seal Lubricant

**Product #** CA9136

### DESCRIPTION

This 8-ounce bottle of lubricant for the upper pump seal is commonly used to lubricate the rod and seal on Air Assist Airless (AAA) pumps. This lubricant is compatible with all coatings.

This specially formulated lubricant is intended to prevent coating materials from drying out on pumps and piston rods. It prevents damage to the upper spring seal and packing on Air Assist Airless (AAA) pumps. It also prolongs the product life and packing life.
