Cougar Air Assist - Airless Cart Outfit - 1/2" Inlet, 5-Gallon Siphon

Product # CAOC14C5411

DESCRIPTION

The Air Assist Airless pump from C.A.T. is an all-stainless 14:1 ratio pump for production fine-finish spraying of wood or other fine-finish applications. The air motor incorporates a unique magnetic no-stall valve design. This simple direct-acting valve is also resistant to icing and features a long-life carbon fiber cylinder as well as integrated noise suppression for quiet operation. The fluid section is all stainless with a non-contact pump tube that never wears out. Also included is a cartridge-style piston seal and guide for quick field replacement. Unit has a large-capacity solvent cup and 360-degree fluid inlet/outlet orientation.

TECHNICAL SPECIFICATIONS

Product #	CAOC14C5411
