Interior Dim. Required - Width - Frame 24 in

DESCRIPTION

Frame and profile system for tilt hamper basket. Once assembled, the structure holds a mesh cloth bag that is easy to insert and remove. You just need to carry the bag when doing laundry. Say goodbye to moving around piles of clothing from one basket or drawer to another. Simply remove the bag with the elastic covering the basket frame, pull on the handles, and carry your laundry. It's that simple. The bags are adapted to each basket to ensure a perfect fit.

ADVANTAGES AND BENEFITS

- The side brackets are angled in order to free up the shelf or drawer above
- Mesh bag to air out damp clothing
- Allows to remove only the bag to carry laundry to be washed or stored
- Easy installation with a few screws
