

Yellow Zinc All-Purpose Screw, Bugle Head, Square Drive, Coarse Thread, Regular Wood Point Type

Product # FKCYZ104P

DESCRIPTION

These multipurpose screws are ready to take on a wide range of projects at home or on the job. They are constructed with yellow zinc-plated steel for durability and smooth performance. The screws are easily secured with a square driver and have a flat, bugle head that allows for flush installation. They have a sharp regular wood point and a coarse thread that enables faster drilling of the material and improved holding power.
