

Safety Hook - HD

Product # HDB002IP

Finish Beige

DESCRIPTION

The HenkelHook is a practical safety solution that helps prevent accidents

This tamper-proof hook will release when the weight is greater than 26 lb and automatically resets itself to the upright position. Designed to hang coats, backpacks, purses and other articles, it allows the suspension of items up to 26 lb +/- 2 lb. When this weight limit is exceeded, the hook automatically releases and the article falls from the hook.

Ideal for schools, kindergartens, daycares, residential spaces, fitness facilities, office spaces and medical spaces, long-term care centers, and recreational and vacation facilities.

ADVANTAGES AND BENEFITS

- Mounts on wood, metal and drywall - Supports coats, backpacks and purses - Automatically resets - Virtually impossible to break - Available in a variety of colors

APPLICATION

For maximum loading capacity, hooks should be mounted directly to wall studs, which are generally found at 16" intervals. If hooks are not mounted to studs, use appropriate dry-wall anchors (not included with hooks). Hooks come with plastic anchors that may not adhere to all type of walls. The installer is responsible for ensuring that appropriate anchors are used.
