

Integra - Adhesives

Product # INTG2207250

Solid Surface Color Number 833

Adhesive Color Number 2207

Finish/Color Twilight

DESCRIPTION

For Solid Surfaces

The latest generation of color matched adhesives for the surfacing industry. The adhesive is a semi-automated mix and dispenser system composed of a dual component cartridge, static mixer and a hand-held dispenser. The system accurately measures, mixes and dispenses the correct amount of pre-colored adhesive, providing consistent results, fast and uniform cure, reliable bond strength and minimal waste.

ADVANTAGES AND BENEFITS

- Automates Adhesive Application - Provides the Strength of Epoxy, the Speed and Color stability of Acrylic - Eliminate Hand Mixing and Tinting - Reduce Waste - Polish to match the gloss of surrounding material - Cures in as little as 20 minutes

TECHNICAL SPECIFICATIONS

Product #	INTG2207250
Size	8.45 oz*
Material	Adhesive
