

ISOtunes Air Defender

Product # IT46EARM

DESCRIPTION

Comfortable, convenient, classic

This ultra-comfortable and easy-to-use Bluetooth earmuff is a simple solution for any loud environment. Over 20% lighter than other ISOtunes earmuffs, AIR DEFENDER gives you 40 hours of listening and talk time without any pain or discomfort. Designed for hobbyists who want to listen to music or take calls while working in loud environments. Ideal for those who prefer an ultra-comfortable over-ear style that doesn't break the bank.

ADVANTAGES AND BENEFITS

This ultra-comfortable and easy-to-use Bluetooth earmuff is a simple solution for any loud environment. - Ultra-lightweight - Memory foam ear cushions and headband - Background noise-reducing microphone for clear calls in loud environments - Auxillary input for nonstop listening
