

Jowatherm 288.6 Granular Hot Melt Adhesive

Product # JW2886044

Finish/Color Natural

Packaging format Per unit

DESCRIPTION

Medium-high viscosity hot melt with good color and heat stability.

ADVANTAGES AND BENEFITS

- Economical - Good color - Good heat stability - Good wetting and adhesion properties

TECHNICAL SPECIFICATIONS

Product #	JW2886044
Type	Granular
Line speed (/minute)	39 ft 4 in to 197 ft*
Filler Agent	With
Adhesive for use with	Thin PVC and ABS edgbanding, Thick PVC and ABS edgbanding, Solid wood edgbanding, Multi-layered 1, 1.5, 2, 3 mm edgbanding, Backed thin wood edgbanding, Laminate, Resin-embedded paper, Veneer edgbanding
Working Temperature	190 °C to 210 °C
Weight	44 lb
Viscosity	Medium/High
Brand	Jowat
Freeze/Thaw Stability	Stable
Base	Ethylene Vinyl Acetate
