Door Material	Wood
Product type	Running and Guiding Tracks
Brand	K.N. Crowder
Overall Height	29/32 in

IMPORTANT INFORMATION

We strongly recommend that you order the products TUBECART and CAP (two CAPs per TUBECART) to package this product. Please note that if you do not, returns or claims for packaging defects will not be accepted. Feel free to contact us at info@richelieu.com for more information. * Please make sure to read the entirety of the installation manual before proceeding with the installation. * Wear safety gear such as gloves, safety glasses, safety shoes, and ear protection * Every fastener used to attach the track to the wall must be fastened securely into a structural surface. * Always remove debris/dust/residues (sawdust and/or aluminum) from all tracks and guide channels using a dry cloth during installation and before operating the system. * Never spray lubricant on this product. * Do not exceed stated limitations and parameters. This will cause premature wear and performance failure.

DISCLAIMER

Pictures provided for visual reference only: actual product may vary. - All required hardware should be ordered and obtained before initiating fabrication or installation work. Please verify that the parts and quantities listed in your order are correct before proceeding to checkout. - Always use instructions provided by the manufacturer, as included with the product. The manufacturer reserves the right to amend, modify, or otherwise supplement any previously issued product and/or technical information, as deemed required from time to time, without prior notice. - The documentation, drawings, and instructions on this page apply to the system described on this page only. Richelieu expressly declines all responsibility for any design or construction that combines this system with systems from this same manufacturer or systems from other manufacturers. - Installation of the product shall be executed by qualified individuals only, always ensuring that each product is securely installed using proper fixation methods, as appropriate for each applicable substratum. We trust that anyone installing these products has the required skills, knowledge, and experience. Richelieu expressly disclaims any liabilities for results obtained through improper use or installation.
