

Lock Cores - M47054

Product # LOCM47054D008

Key Type Keyed Alike #8

DESCRIPTION

Over 150 different keyed alike options with master keying.

- Fabricators often request that we provide the same key for particular rooms or for specific items.
- This allows the fabricator the ability to build different furniture pieces at the factory with pre-installed lock cores and, upon delivery provide the capability to key-alike furniture pieces for specific rooms or individuals.
- Lock cores can easily be replaced in seconds, with little or no effort.
- A single master key can be provided to open all items in all rooms.
