

## Gloss Eleganté Panel - Volcanic Gray 25321

**Product #** M7725321HG1836

### DESCRIPTION

Our Eleganté panels are made of MDF panels coated in a decorative paper by thermal fusion, in order to obtain superior protection against abrasion, moisture and impact. A warm undercoat of our polyurethane Pu+ is applied to the surface to prevent cracking and delamination. Three acrylic coats, with glossy or matte finish, are then applied with heat and polymerized with UV rays, producing a hardened surface resistant to household products.

### ADVANTAGES AND BENEFITS

- Scratch-resistant - Antibacterial - Easy to clean - Impact-resistant - Easy to cut - Each panel complements our laminate and edgebanding panels
