

Hiolit X Portable Belts - Mirka

Product # MK424120

Grit 120

Width 4 in

Length 24 in

DESCRIPTION

Hiolit X is designed for aggressive cutting and heavy duty stock removal. It is recommended for belt sanding and other machine sanding where it has excellent edge wear resistance and durability.

Color: Maroon
Backing: X-weight cotton cloth
Coating: Closed coat
Bonding: Resin over resin

ADVANTAGES AND BENEFITS

It produces especially high-quality results on challenging materials - for example, grits 36-80 are suitable for aggressive sanding, such as severe rust damage, as well as other sanding operations where large amounts of material need to be removed.
