

Meganite Sheet - Mount Jade M005

Product # MSSM0051230

DESCRIPTION

The movement series is a breakthrough collection.

Tailored and dapper. Mount Jade is a modernist white featuring soft suede textures and ethereal, feathery white markings. A perfect complement for historic and urban spaces.

ADVANTAGES AND BENEFITS

The MEGANITE® solid surface is homogenous. It's the same color and the same material throughout. That's why repairing scratches is so easy and why the surface will continue to look like new.

APPLICATION

Each pattern has a perfect designer look for the urban styling of offices, restaurants, leisure centers, wellness centers, etc. The Meganite solid surfaces are designed for interior use and have a wide range of vertical and horizontal applications. Common design elements: - Decorative wall panels and countertops - Displays, signage and store fixtures - Shelves - Restroom vanity tops - Cafeterias, locker rooms and other educational environments - Public and commercial spaces - And much more...

IMPORTANT INFORMATION

Maintenance: Use soap and water to wipe clean. Ammonia-based cleaners such as glass cleaner are also a great way to give the surface a non-streak shine.
