

## Synchron Panel - Bronze S62 (Oxid III)

**Product #** N74S628857490

### DESCRIPTION

Synchron panels are designed to reduce bacteria living on surfaces thanks to their antibacterial properties, providing you with cleaner spaces and healthier living. The Synchron collection also offers various possibilities for modern design. CARB II particleboards are covered in a (textured) structured melamine that recreates the natural look of woodgrain and stone while providing a resistant and durable surface.

### ADVANTAGES AND BENEFITS

- Thermo-structured surface on both sides for all wood grain finishes - No additional surface treatment necessary - High resistance to scratches - Excellent thermal resistance - Resistance to UV rays and fading - Antibacterial treatment on the entire surface - Easy to maintain
