

Piano Hinges 1-1/16" Width

Product # PIASTB0301Q6

Color/Finish Brass

Material Steel

Width 1 1/4 in

Length 6 ft

Pin Diameter

Fastener #5 Screw

Center to Center Drilling

Screw/Nail

Packaging format Per unit

DESCRIPTION

Piano hinges, or continuous hinges, found their name from their original purpose, piano lids. They are now used in various everyday wood and metal made utilities like chests, foldable doors, trunks, safes or in more heavy-duty utilities like shed/barn doors or fire doors. This type of hinge is made with only three components, which makes it simple to use and install. Made in Canada.
