

## RCS 105° Hinge

**Product #** RCS32201748

**Fixing Type** Dowel

**Door Position** Inset

**Closing Mechanism** Soft-Close

### DESCRIPTION

#### Series 322

Discover the improved RCS hinge!

The 322 series now gives you a quicker and simpler installation. Indeed, its new and improved factory preset allows installation that requires fewer adjustments. In addition to providing a clean and concealed appearance, this hinge has a two-way cup to control the opening force and provide smoother motion. Available with a spring or soft-closing mechanism (for quiet and effortless movement), the RCS hinge will, without any doubt, meet your needs and expectations!
