

RFF Series Face Frame Hinge with Soft-Close

Product # RFF30340040

Fixing Type Screw-On

Overlay 3/4 in

DESCRIPTION

Richelieu's soft-closing RFF hinges series is designed to offer the advantage of concealed hinges for small and large overlays for cabinetmakers and users of face frame cabinetry. The series features fast assembly and full adjustment with a progressive soft-closing mechanism technology to provide a smooth and soft-closing movement regardless of the door weight or size.

ADVANTAGES AND BENEFITS

- Richelieu's reliability - Progressive patented soft-close mechanism - Wrap-around fixation - 2 cams and 6 way adjustments - KCMA approved - Developed and tested not to slam
