

Richelieu Water-Based Latex Formula Wood Filler

Product # RWB9016

Volume 16.9 oz*

Color Black

DESCRIPTION

Wood filler Richelieu Brand with latex formula is a water-based compound to plug or clog different holes and crevices present in wood flooring, furniture and other woodwork.

Easily spreadable with a spatula or other leveling tool. Dries quickly and is easily sandable following drying time. Adheres well on all wood types. Does not shrink. Choice of classical colors (or on demand). Select the wood paste color the closest to the woodwork to repair.

Available in format of 125 ml, 500 ml and 3.78 litres.

ADVANTAGES AND BENEFITS

- Low odor - Easy clean-up with water - Interior or exterior - Stainable and paintable - Solvent-free Acrylic resin: - Superior resistance to yellowing - Superior resistance to scratches - Superior resistance to adherence Packaging: - Premium quality plastic container for a more hermetic seal - Lid reduces product contamination from dry particles Viscosity: - Can be adjusted with water at all times Shelf life: - Only product with a two-year guarantee, compared to one-year guarantee from competitor products
