

Transom to Sidelite Patch

Product # SSGWPFX1170

Finish Brushed Stainless Steel

DESCRIPTION

Suitable for top corner installation

- Mounted transom patch for installation on glass panels, creating a glass enclosure for the external corner
- Doorstop included

ADVANTAGES AND BENEFITS

Can create an all-glass design, as seen in offices or other glass structures in commercial zones. Its L-shape connects the two top glass panels to the sidelite.

TECHNICAL SPECIFICATIONS

APPLICATION

Installed on the glass to support a crosspiece from the lateral glass partition.

IMPORTANT INFORMATION

For safety purposes, use tempered glass. The glass must be shaped according to the section plane provided in the box. Always set the product in a suitable material. Never exceed the load or maximum size recommended by the manufacturer. Make sure to order the hardware before starting the works. This illustration is provided for visual reference only. Actual product may differ from the illustration. The manufacturer reserves the right to change the product and information without notice. Always use the instructions inside the package. Drawings and technical documents contain examples of hardware from different manufacturers. The customer may in no case make a claim following the use of these documents. The Company disclaims any responsibility for the structural details related to a construction or project. Installation must be done by qualified personnel.

DISCLAIMER

The preceding information as well as any technical recommendation given in writing or verbally, whether based on tests or not, is provided to the best of our knowledge. These recommendations are non-binding and do not diminish your responsibility for determining their correctness, as well as the suitability of the product for your particular purpose. The application, use or processing of our products, as well as the execution of projects based on our technical recommendations are beyond our control and therefore exclusively your responsibility. Sales of our products are subject to our most recent General Sales and Delivery Conditions. Please note that Richelieu will not accept any returns or claims for unpackaged products.
