

Rev-A-Shelf side mount Tie pull out Rack

Product # TRC14CR

Interior Dimensions Required - Depth 14 1/8 in

Product Dimensions - Depth 14 in

Number of hooks 25

DESCRIPTION

Holds up to (23 or 25) ties.

If you are looking for a tie organizer, we have you covered with this Rev A Shelf pull out rack. Made in heavy gauge plated metal this product can be installed inside your closet unit (left or right) with 2 screws. Ties are stored inside your closet, just pull out the unit and you will have an easy and perfect access to the stored items.

ADVANTAGES AND BENEFITS

Holds up to (23 or 25) ties. Can be mounted left or right handed. Simple and easy to install. Heavy gauge plated metal construction equipped with a 100lb(45kg) full extension ball bearing slide. Make sure to have enough space underneath because of the ties' height. Rev A Shelf limited lifetime warranty
