

Undermount Recycling Center

Product # USC12135PT

Total Capacity 35 qt

Finish Platinum

Bin Quantity 1

Product Dimensions - Height 19 3/16 in

Product Dimensions - Width 11 13/16 in

Bin Capacity 1 x 35 qt (33 L)

DESCRIPTION

Soft-close mechanism.

Undermount recycling center with full-extension slides. Installs in minutes with self-aligning brackets, secured with only four screws. Features a unique, washable solid backsplash and floor, preventing debris from falling through to your floor or cabinet, making cleaning easy, and concealing hardware. Decorative rail accents can be customized to match your countertops or cabinetry.

ADVANTAGES AND BENEFITS

- Full-extension slides provide easy access to your recycling system.
- An integrated soft-closing mechanism allows smooth, safe operation.
- Automatic alignment brackets make installation easy.
- Concealed slides allow easy cleaning and give your system a sleek, clean look.
- Side rails are designed for the insertion of a veneer band to match your countertops.
- Pre-assembled for quick and easy installation.
- Includes a backsplash and a floor to prevent debris from falling into the cabinet.
