

## Bed with Kangaroo Storage Set with 2 Opening Positions

**Product #** WEBKIT1010764

**Dynamic Load Rating** 165 lb\*

**Mattress Size** King (76 in x 80 in)

**Length** 81 1/8 in\*

**Width** 77 1/8 in\*

**Interior Dimensions Required - Width** 78 3/8 in\*

**Interior Dimensions Required - Depth** 83 1/8 in\*

### DESCRIPTION

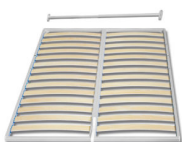

More storage. Less back pain! As well as providing increased bedroom storage, the Kangaroo bed's double hydraulic-piston system opens to the elevated-horizontal position (a Richelieu EXCLUSIVE) allowing you to make your bed without having to bend down. Available in bed sizes twin to king.

### ADVANTAGES AND BENEFITS

- Corners are reinforced by corner plates. When open to 45 degrees, the frame remains stable to ensure easy access to storage space. The mattress can be lifted horizontally to make the bed and easily returned to its initial position. The system's strength, combined with a stabilizing bar connecting the two mechanisms, allows for great stability at the base when closed.

### INCLUDED IN THIS WEBKIT

**Sales unit**

**Slatted Bed Base**  
Product # XULT80BMU

**Lift Mechanism and Hardware for Bed with Storage Unit**  
Product # XULT80LM

Box
