IMPORTANT INFORMATION

The internal minimum width required depends on the baskets and accessories selected. Consult the product sheet for more information. Baskets, wine bottle racks, and spice trays are sold separately. The number of required baskets is based on the usage of baskets only. If you use wine bottle racks and/or spice trays (in suggested products), you must remove the number of baskets according to the number of racks you use. The door must not exceed 16 in (400 mm) in width.
