

Grant E-Series Sliding Door System

Product # WEBKIT1222404

Detailed Door Movement Single sliding

Overall Length 70 7/8 in*

Number of Doors 1

DESCRIPTION

Quick-release top-mount suspension plate

The Grant E-Series Sliding Door System is designed for one or two wood doors with different weight capacities.

Features:

- Choose between two systems:
 - A) Grant 75E for min. 3/4 in (19 mm) thick doors weighing up to 75 lb (34 kg)
 - B) Grant 150E for min. 1 in (25.4 mm) thick doors weighing up to 150 lb (68 kg)
- Precision ball bearing trolleys
- Vertical adjustment of 1/2 in (2.7 mm)
- Low profile upper track
- Tracks and hardware can also be used in the Grant BF bifold door series

This medium duty system is an ideal solution for commercial and residential applications for closets, storage walls, and cabinets.

ADVANTAGES AND BENEFITS

- Smooth, quiet, and long-lasting performance - Easily mounted - Minimal headroom required

IMPORTANT INFORMATION

- Pictures provided for visual reference only: actual product may vary. - All required hardware should be ordered and obtained prior to initiating fabrication or installation work. Please verify that the parts and quantities listed in your order are correct before proceeding to checkout. - Always use instructions provided by the manufacturer, as included with the product. Manufacturer reserves the right to amend, modify, or otherwise supplement any previously issued product and/or technical information, as deemed required from time to time, without prior notice. - The documentation, drawings, and instructions on this page apply to the system described on this page only. Richelieu expressly declines all responsibility for any design or construction that combines this system with systems from this same manufacturer or systems from other manufacturers. - Installation of the product shall be executed by qualified individuals only, always ensuring that each product is securely installed using proper fixation methods, as appropriate for each applicable substratum. We trust that anyone installing these products has the required skills, knowledge, and experience. Richelieu expressly disclaims any liabilities for results obtained through improper use or installation. - Always remove debris/dust/residues (sawdust and/or aluminum) from all tracks and guide channels using a dry cloth during installation and before operating the system. - Never spray lubricant.
