### Finish/Color

Clear  
Transparent

Translucent

White

## DESCRIPTION

### 100% Silicone Base

Richelieu® 941600 bathroom and kitchen 100% silicone sealant is a medium moduled, single-component, non-sag, acetoxycaulking material.

Specifically designed to resist mould and mildew when fully cured, this sealant gives excellent adhesion to ceramics, tile board, solid surface, laminated plastic, and most acrylics.

Richelieu® 941600 also features excellent resistance to weathering, vibration, moisture, ozone, and extreme temperatures.

This sealant may be applied in sub-zero weather without loss of extrusion or physical characteristics, and is effective to -46 °C (-50 °F).

## ADVANTAGES AND BENEFITS

- NSF (National Sanitation Foundation) approved - CFIA (Canadian Food Inspection Agency) approved - 100% silicone - Mildew-resistant - 100% RTV - Excellent performance in extreme temperatures

## AVAILABLE PRODUCTS

Product #	Finish/Color
