

Rev-A-Shelf 4-Bin Recycling Center

Finish

Blue, Green,
and Yellow /
Brushed
Aluminum

White /
Brushed
Aluminum

DESCRIPTION

This recycling center is the ideal waste container for the environmentally conscious, featuring four divided sections for plastic, metal, and paper. This system also features heavy-duty soft-closing slides in brushed aluminum that provide exceptional support and stability and eliminate side-to-side movement. Includes a fully adjustable door-mounting frame.

ADVANTAGES AND BENEFITS

- Easy mounting to the bottom of your cabinet - Allows you to separate recyclable waste according to material - Slides are equipped with a soft-closing mechanism
