

Modern Metal Hook - 1192

Finish

Brand

DESCRIPTION

This contemporary single hook features a clipboard design in a stylish finish. The beautifully contrasting geometric shapes - sleek wood base and curved metal hook - result in a unique detail for a one-of-a-kind space. Ideal for bedrooms, bathrooms, entryways, mudrooms, closets, and anywhere else hooks are required. Can be installed on walls or doors.

APPLICATION

For maximum loading capacity, hooks should be mounted directly to wall studs, which are generally found at 16" intervals. If hooks are not mounted to studs, use appropriate dry-wall anchors (not included with hooks). Hooks come with plastic anchors that may not adhere to all type of walls. The installer is responsible for ensuring that appropriate anchors are used.
