

Square Metal Grommet

Finish

Chrome

Satin
Aluminum

DESCRIPTION

This zamak grommet is both simple and modern in design. It is a stylish and practical choice for both commercial and residential environments.

ADVANTAGES AND BENEFITS

This grommet lets you manage cables and office devices easily. This aluminum- or chrome-finished grommet will add a touch of elegance to your workspace. Mounting clips on the side of the grommet allow for dust-free vertical applications. The brush inside the grommet reduces the risk of cable damage and conceals the underside of your desk. The plate that holds the brush can be removed for cleaning of the brush and grommet.
