

## Round Wall Mounted Fixed Bracket

### DESCRIPTION

#### For standard space

With its simple design, this stainless steel inline bracket is ideal for all your handrail and staircase projects. Designed to support round or flat handrails off the wall. With its single mounting point, installation is quick and easy.

### ADVANTAGES AND BENEFITS

This system installs on site with no welding required -- simply drill, glue and tap the pieces into place. The prefabricated, pre-finished tubing is designed to fit perfectly with other components. Available in type 304 and 316 stainless steel for either interior or exterior installation.

### AVAILABLE PRODUCTS

Product #
HR1867883857170
