DESCRIPTION

Equipped with Blum soft-close slide system

Glideware is a revolutionary organizing pullout that allows you to securely hang your accessories inside of your cabinet, closet, or even your outdoor kitchen. Available in two finishes in solid wood: natural or gray. Features Blumotion soft-close slides and patented adjustable hooks to accommodate almost any application.

ADVANTAGES AND BENEFITS

- 110 lb (49.9 kg) full-extension BLUMOTION slides with soft-close
- Mounts to the front and rear of most kitchen cabinet construction
- Hooks have unique design so they don't turn or twist during use, keeping your items aligned
- Recommended for a full-height cabinet where no drawer is above
- Fully assembled maple wood construction with a clear coat finish for durability
- Limited Lifetime Warranty
