

Supports for Rectangular KAMO Rods

Support Type

☐ Central

☐ Open

ADVANTAGES AND BENEFITS

The 2323120060 support enables mounting on the interior sides of the cabinet. The 2323121060 support enables installation underneath a shelf. The 2333121060 central support provides a more solid support at the center of the rod. Moka (dark brown) finish that perfectly blends with a "wood" décor or contemporary style.
