DESCRIPTION

This product is a Rev-A-Shelf product.

The 4WCTM-CK series top-mount recycling centers include a compost bin that eliminates bad odors. The innovative closing device closes the bag inside the bin with the lid, trapping bad odors caused by compost in your home. This composting solution includes a natural maple frame and the Compo + bin is available in a variety of colors, ensuring you the best solution for compost management in your home.

ADVANTAGES AND BENEFITS

- Complete solution for waste management - Compost bin with 24 qt (22.7 L) capacity and lid that automatically closes the bag inside to eliminate bad odors - The lid is also equipped with a filter to eliminate bad odors - Frame is made of natural maple with semi-gloss finish - Ball bearing slides with 1 1/2 in (38.1 mm) over travel and load capacity of 150 lb (68 kg) - 4WCTM12 has a small bin at the back, ideal for storing replacement bags - Can be mounted on the door, back, or sides of a cabinet - Includes patented brackets for adjustable back slides - Meets TSCA Title VI standards
