

## Polaris Glass-to-Wall Latch

### Finish

### DESCRIPTION

Comes in a two-piece set: backplates plus a D&D Technologies MagnaLatch "Side Pull" Model Series 2 latch with key. Backplates are Duplex 2205 marine-grade stainless steel.

### ADVANTAGES AND BENEFITS

- For outdoor and indoor frameless glass applications - Designed to meet the tough requirements of frameless glass pool fencing, making it suitable for use in all applications where glass doors or gates are required - Designed for chemical resistance, operation in wet environments, and to withstand constant outdoor use and harsh weather - Compatible with tempered glass gates - Uses spring and shock absorbers for a gentle close every time and from any position, whether fully or partially open
